8 years Of Turning Your Gold Into Money

125+ branches in Karnataka, Andhra Pradesh, Kerala, and Telangana

- A high gold rate can be a trap. Make sure you are not cheated on the Gold Purity Check.
- We only use industry-standard spectrometer machines.
- We do not tamper with our machines. Get the same gold purity result in any White Gold branch.
- We have well-trained and educated staff. We are not a single-branch company.
- We have 125+ standardised branches across South India.
- We are transparent about our Gold Rate. You can check our live gold rate here.
- In any city, you will get the same Gold Rate in all our branches.
